

## BROWS SERVICE LIST

---

### BROWS

This is a semi-permanent eyebrow styling procedure where pigment is deposited into the skin. This can either be done with a shading machine or/with the handheld blading pen. In general, these brows should last anywhere from 18 - 30 months. However, several factors can influence how long they last.

### **THIS SERVICE IS STRICTLY BY APPOINTMENTS**

#### **FRESH BROWS**

Ombre brow \_\_\_\_\_ GHC 800

Combo brow \_\_\_\_\_ GHC 850

\*Removal \_\_\_\_\_ GHC 500

#### **TOUCH UP BROWS**

Ombre brow \_\_\_\_\_ GHC 650

Combo brow \_\_\_\_\_ GHC 700

\*Color add on \_\_\_\_\_ GHC 300

### BROW LAMINATION AND TINT

This is a new innovative beauty treatment that recreates the trending look of relaxed and defined brows. The treatment can be paired with a brow tint for a bolder enhanced look.

This lasts between 1-2 weeks max with proper care.

Lamination \_\_\_\_\_ GHC 100
