

## LASH SERVICE LIST

---

### MINK LASH EXTENSIONS

Mink lashes create a light, feathered, natural feel and appearance but can be full of volume and/or length or dramatic look upon request. This has great retention and can last between 3-4 or 5 weeks max with proper care.

Hybrid _____	GHC 350	infills _____	GHC 300
Volume _____	GHC 450	infills _____	GHC 400
*Removal _____	GHC 100	*Color add on _____	GHC 70
*Whisp _____	GHC 70		

### FIBRE SET

This is recommended to clients who do not like and feel discomfort while laying or prefer sitting to get lashed! This procedure does not involve fumes with glue. SO, NO BURNING! This has a lower retention than the mink lashes. This lasts between 1-2 weeks max with proper care.
